Our Health and Safety Company Statement

ACE Total Tree Work Ltd is a small sized company undertaking the full range of arboricultural tree work operations including but not limited to tree planting, tree pruning and tree felling (including rigging, lowering and sectional felling). We also offer other services including stump grinding, cable bracing (of weak tree structures) and air spading (to excavate near trees / relieve compaction).

We have been operating since 2017 and specialise in servicing the domestic and commercial sectors of the industry. We are fully committed to health & safety and all our staff and sub-contractors are fully qualified and experienced in the operations they undertake. We undertake refresher / update training on a regular basis to ensure all our staff are kept up-to-date on the latest techniques and technologies. We wholly embrace the contents of this company health and safety policy, our duties and obligations and the control measures as detailed in our Generic and Site risk and assessments. We have clearly communicated the contents of these documents in detail to all our staff, through the reading, understanding, and recording their agreement to follow these policies. We review the policy, and associated procedures, on a regular basis to check their effectiveness.

Aran Caldwell, Director of ACE Total Tree Work, is in overall charge of Health and Safety at ACE Total Tree Work, and is responsible for ensuring Health and Safety of all personnel is closely monitored. Any questions issues arising during operations, employment procedures that are of a Health and Safety Agenda, should be directed to Aran directly.
